

Potomac School McLean, VA

Architect: Cox, Graae & Spack Architects

General Contractor: Coakley & Williams Construction

PM Services Provided:

- Oversee Design, Construction, and FF&E
- Contract Bids and Negotiation
- Budgeting
- Scheduling

Project Highlights:

Complete renovation of existing upper school and two additions for classrooms, library, dining facilities, Black Box Theater/tiered lecture hall, and administrative offices. These were completed in a phased construction effort with related site improvements on an occupied campus. Master planning of athletic center. Planning and design of tennis courts renovations. The existing lower school building was razed and the new Classroom building includes a library, technologically enhanced science facility, multi-purpose room and multi-media assembly room.
